

Wednesday Evenings - Join Us and Dine at the Pool:

Let RVSTC help you simplify your schedule this summer by cooking dinner every Wednesday evening! We'll be offering a different menu each week from 6:00-7:30 p.m. under the pavilion.

This week we're featuring an **Italian pasta meal**, with two types of pasta (penne and farfalle), two types of sauce (**chicken in Alfredo** and **meatballs in Marinara**), and a **Caesar salad** for just \$6.00. Kids and light eaters are welcome to try just one pasta and sauce with their salad for \$4.00. Sodas and Arizona green tea will be available for 50¢ and \$1.00 each respectively; by popular demand, we will also be offering red and white wines by the glass, as well as Miller products and Heineken for your donations (\$2.00 is recommended).

Please sign up in the Activities notebook at the front desk, or call the pool at (703) 912-4842 and request that your name be added. We will prepare based on the advance numbers received, so you'll really help us out by letting us know that your family will be dining with us.

So when you head down to the pool to join your kids after work, why order pizza when you can have a well-balanced home-cooked meal waiting for you? We'll see you at the pool!
